## d-TOOLS >

We have our own **digital tools** (or d-tools) and also tools of third parties, both for implementation and for use and improvement, or for integration with other tools, which **allow us to digitize and optimize** our services in order to transfer more **value, efficiency and effectiveness**.

d-Tools highlighted among several tools::

- > **SLM:** Smart Lean Management.
- > **BSC:** Balanced Score Card.
- > **MAS:** Managing Advanced Sustainability.
- > **CKM:** Cluster Konect Marketplace.
